

I am concerned that you might allow LPFM stations to take priority over current FM translator service and as a result I might not be able to listen to one of my favorite radio stations, K-LOVE.

K-LOVE is very uplifting and encouraging to me, as well as to many of my friends and family. ALL of my children listen to K-LOVE, and ALL of my TEN grandchildren (ages 5 to 14). You should hear the 5 year old (boy) sing along!

K-LOVE is GOOD, DECENT programming. I never have to worry about what my kids, or their kids, are hearing. (Much the opposite of many other stations available to us here in Midland)! K-LOVE is a great FAMILY radio station. Informative, entertaining, and uplifting!

Thank you for considering my comments.

Sincerely,  
Mrs. Claudia Lann
